OUR LIFE IS MISSION

Supporting missionaries to spread the love and Gospel of Jesus Christ, providing assistance to designated mission dioceses, seminaries, catechetical programs, for communication and transportation needs, and for the building of chapels, orphanages and schools.

Tradition

Dedicated in 1919, Holy Cross Cemetery and Mausoleum is a beautiful park of over forty acres, a place not only of reverent service to the deceased but of spiritual comfort to those who remain.

Sanctuary

Holy Cross is not a commercial or civic enterprise, but an institution of the church, operated and maintained as a sacred trust. Interment may be arranged as desired, in consecrated ground or in imperishable mausoleum, solid proof against time and the elements.

FAITH

Holy Cross answers the demand of Catholic families for a final resting-place of the departed, in consecrated ground, reserved exclusively for adherents to the faith and their immediate families.

Commitment

This is our commitment: to maintain every facility with an intelligent anticipation of every need and desire. A complete sanctuary: for quiet seclusion, for contemplative reflection, for meditation, for dear memories; for the seeking of peace with one’s self, with one’s world, and with one’s God.

Representatives are at hand daily to guide you on a personal tour of Holy Cross facilities.

“Above all, care for the poor.”

Pope Francis

For I was hungry and you gave me food,
I was thirsty and you gave me drink,
a stranger and you welcomed me.

And the king will say to them in reply,
‘Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me’

Faith in Action

An education at the University of San Diego begins with the formation of the heart. Our values-based education is born out of the Catholic intellectual tradition.

On campus and around the world, USD prepares ethical leaders and compassionate citizens to be Changemakers for good.
WE SEE FAITH IN ACTION.
JOIN OUR MISSION WITH A MONTHLY GIFT.

People come to us, homeless and often hopeless. Thanks to our housing, support and Chaplaincy services they find the spiritual support and resources need to rebuild their lives.

At Father Joe’s Villages we see hope as the foundation for change. Last year, we helped nearly 830 men, women and children find their way home. With your help, we can do even more.

To find out how to become a monthly donor, or other ways to turn your faith into action, contact our Major Gifts Officer Jim Kennedy at (619) 446-2129 or james.kennedy@neighbor.org.

**Children’s Services**
Our team of medical experts provide comprehensive programs and services to support children and infants impacted by illness, grief, and loss.
Why do Catholic sisters, brothers, and order priests need your help? Doesn't the Church pay their health care costs?
No. In the U.S., religious institutes are independent, autonomous organizations whose income, earnings, and expenses are separate from diocesan structures.

How were costs of care met before there was a Retirement Fund for Religious?
Decades ago, young, wage-earning members were able to meet the needs of their elder religious counterparts. Then, too, Catholic physicians and hospitals were able to donate much more care than they can in today's economic and healthcare environment.

Hasn't the number of Catholic religious declined?
The number in need of care has actually increased because the majority of religious are now well past age 65! Today, more than 12,000 Catholic sisters, brothers, and religious order priests need skilled care or help with tasks of daily living.

What if there aren't any religious motherhouses in my diocese? Who benefits?
Many dioceses were and are still served by religious whose institutes are based elsewhere. Retirement Fund grants are awarded to more than 500 religious institutes in 47 states, Washington, D.C., Guam, and Puerto Rico.

Ninety-six percent of donations are awarded through grants to religious institutes.
